Hi all,

It turns out that I won't be in town on Dec. 2 (funeral). If any of the officers have any business that I need to take care of, email me to let me know what it is. Also, the chapter project forms were supposed to be completed by tomorrow. If you have your's done, you can drop it in the TBP box in the EE office, and I'll pick it up. Otherwise, if you have questions about them or need some other information from me, you can wait and give your forms to me at the next officer meeting. Thanks.

Heather and Dr. Fowler,

I ordered the folders a couple weeks ago, 475 like you asked. Let me know what else we need to accomplish by the end of the semester.
